8/15/14 - This is in response to a letter from FEC dated 8/14/14 concerning an amended 24-hour notification report received on 8/5/14. The amendment A1-S1 was to amend FEC-943453 that was filed on 7/30/14. The filing date showing on the amendment is the election date. Today, 8/15/14, I have filed A2-S2 to correct a duplicate entry I had on A1-S1 for Smart Media. But this amendment also pertains to the 24 Hour that was first filed on 7/30/14. I hope this takes care of explaining the amendments.
